DESCRIPTION

Dual Lens system designed to provide the ultimate anti-fog protection for any work environment.

- Low profile design for use with head protection
- Indirect ventilation protects against liquid splash
- 99.99% UVA and UVB light filtration
- 5.75 base curve lens

Polycarbonate lenses block 99.99% of the sun's ultraviolet rays. This ultraviolet protection has already been incorporated within the lens material when the lenses are being produced.
